DESCRIPTION OF PROJECT

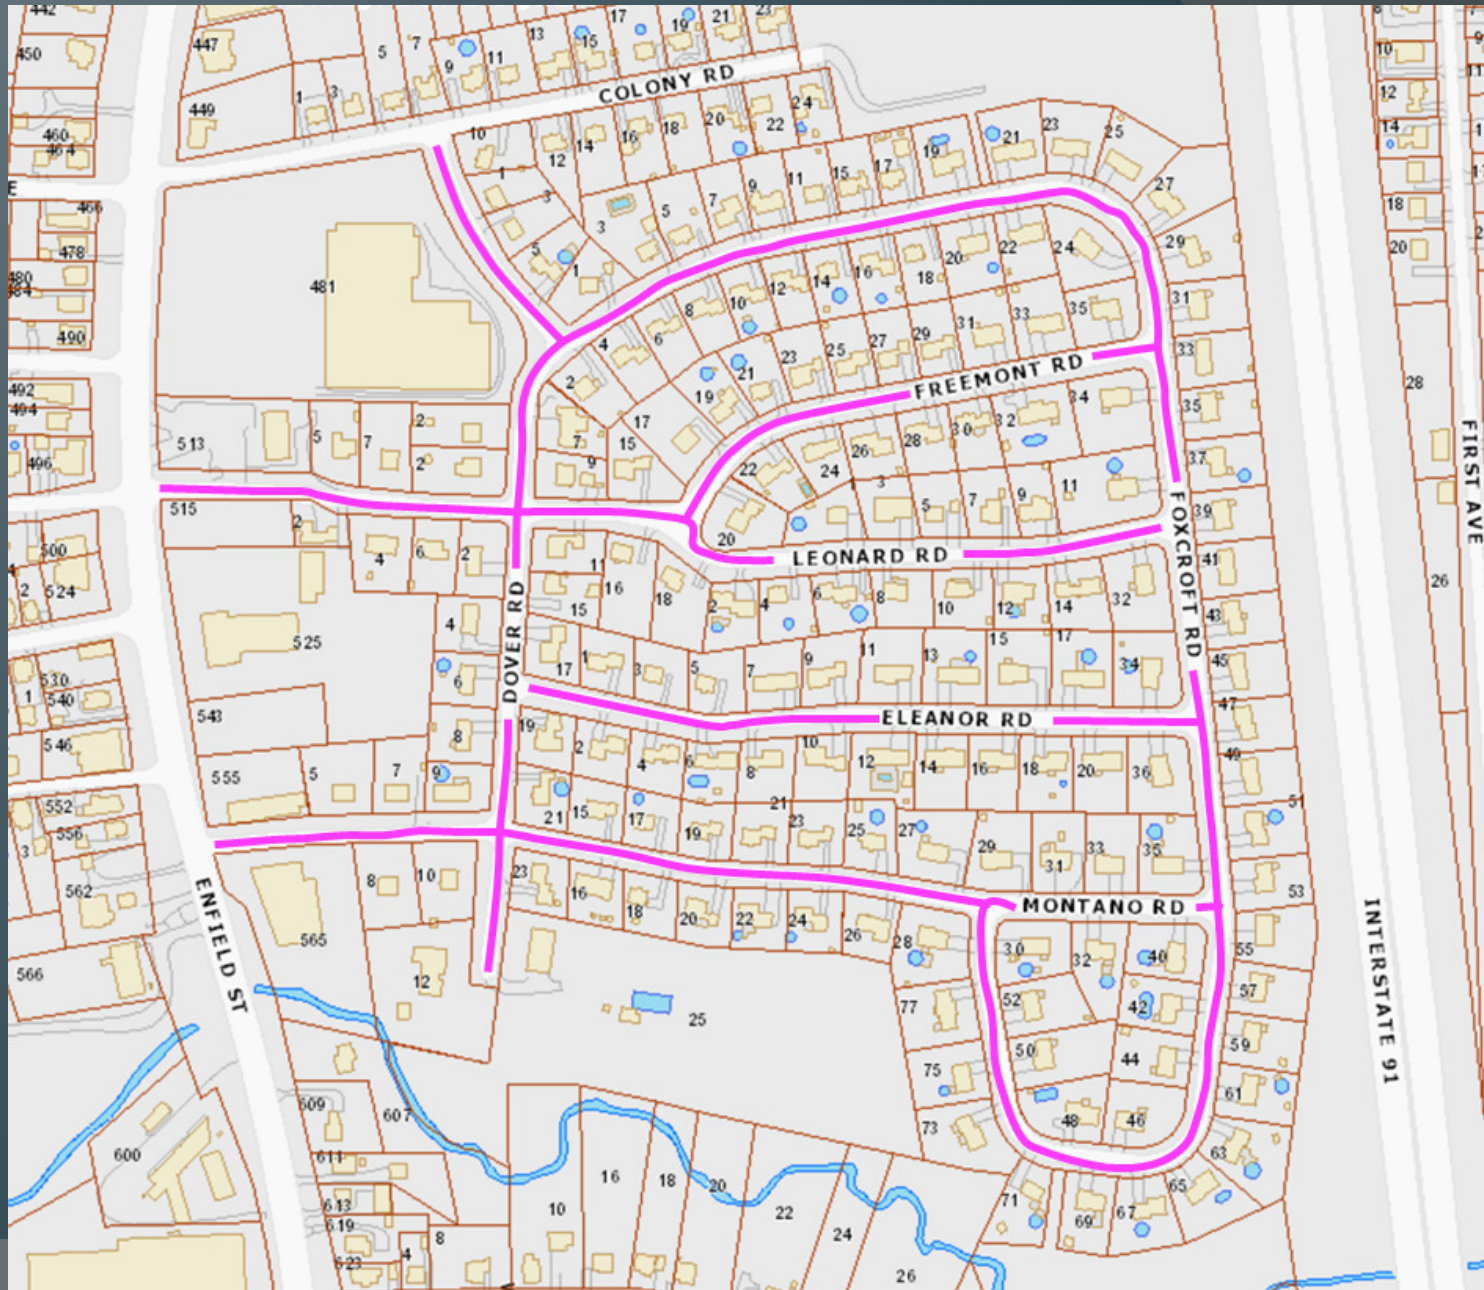

As part of the continual efforts of the Town Council, Town Manager and Department of Public Works to upgrade Enfield's roadway system, in conjunction with the ROADS 2015 Referendum, the Engineering Office issued construction plans and specifications for the full-depth reconstruction of:

- Dover Road: 1,531'
- Eleanor Road: 1,191'
- Foxcroft Road: 3,300'
- Freemont Road: 1,840'
- Leonard Road: 890'
- Montano Road: 1,767'

Total of 10,519' of new road.

THOMPSONVILLE NORTHEAST

THOMPSONVILLE NORTHEAST ROAD RECONSTRUCTION PROJECT

WHAT IS FULL-DEPTH RECLAMATION?

- Asphalt pavement recycling process
 - Economical, in-place recycling alternative to road reconstruction
 - Uses a powerful machine to turn asphalt pavement into road base
 - Uniformly pulverizes the old pavement and blends it with underlying material
 - Utilizes stabilization agents to enhance the strength of the new base
 - Saves \$ and resources by using existing materials.
 - All full-depth reclamation material will be used on-site

THOMPSONVILLE NORTHEAST ROAD RECONSTRUCTION PROJECT

WHAT IS FULL-DEPTH RECONSTRUCTION?

- Removal of existing roadway pavement and base material
- Removal of driveway aprons.
- Drainage improvements.
- Installation of new roadway base material.
- Installation of new curb.
- Installation of new roadway pavement and driveway aprons
- Loam and seed of all disturbed areas.

ACCESS TO YOUR PROPERTY

ALL RESIDENTS WILL BE ALLOWED REASONABLE ACCESS TO AND FROM THEIR PROPERTY DURING THE DAY.

IF THERE ARE SPECIAL CIRCUMSTANCES AND/OR YOU NEED TO LEAVE AT CERTAIN TIMES OF THE DAY, PLEASE CONTACT OUR INSPECTOR SO HE CAN COORDINATE ACTIVITIES WITH THE CONTRACTOR.

ALL RECYCLING/REFUSE ACTIVITIES WILL CONTINUE AS SCHEDULED BUT MAY START EARLIER THAN NORMAL TO AVOID CONFLICTS BETWEEN OUR TRUCKS & THE CONTRACTOR. IN ANY CASE, PICKUPS WILL NOT COMMENCE BEFORE 6 A.M AND ONLY IF NECESSARY AND ONLY FOR LIMITED TIME.

ALL BUS PICKUP AND DROPOFF WILL CONTINUE AS SCHEDULED.

THOMPSONVILLE NORTHEAST ROAD RECONSTRUCTION PROJECT

RIGHTS OF ENTRY

I, John Smith, owner of the property known as lot 123 of assessors map 456 also known as 789 Main Street in the Town of Enfield, grant the Town of Enfield through their agents and contractors, the right to access and enter into and upon said property to remove, re-grade and replace a portion of the driveway apron to match the grade of the newly reconstructed road edge.

This right to enter is given subject to the following conditions:

- A. The Town shall save the owner harmless from any and all claims for damages arising during the work.
- B. The Town shall loam, seed, fertilize and mulch all areas of the property disturbed or damaged during this work, at no cost to the owner.
- C. After the aforementioned work has been completed, the owner shall save the Town of Enfield harmless from any claims for damages.

CLOSING REMARKS

DEPARTMENT OF PUBLIC WORKS ENGINEERING OFFICE

As with any construction project, the Town of Enfield is asking for patience from residents, business owners and visitors as a number of construction projects progress. We realize there is a considerable amount of construction around town and we are requiring the contractors to be sensitive to the operations of the residents and businesses located in the work area.

We know it is an inconvenience but we also know that as we make these improvements, the end product will benefit the Town of Enfield and the community as a whole. It's going to be a tremendous change.

During construction, please visit www.enfield-ct.gov for up-to-date information on this project.

DEPARTMENT OF PUBLIC WORKS
ENGINEERING OFFICE

Complete sets of construction documents are available for viewing at the end of the informational meeting.

We will be happy to assist you with any further questions you may have.
